TOOL-IS

DON'T SEARCH. FIND!

www.tool-is.com
COME BY AND SEE FOR YOURSELF!

No more hide-and-seek: there's nothing worse than needing a tool and not being able to find it, or only having a vague memory of where it is. We know how that feels. That's why we invented **TOOL-IS**: the online tool search engine from SW Stahl.

TOOL-IS can now do even more. Or rather, you can do even more. You can now use **TOOL-IS** on mobile devices (i.e., smartphones or tablets). Availability, promotion periods, and prices are displayed in real time—it couldn't be more up-to-date or faster. What's more, thanks to the various search options, you're sure to find what you're looking for—even if you only have a few clues to go on.

- ⊗ Fast and flexible online tool search
- ⊗ Display of availability, promotional periods, prices, and more in real time
- ⊗ Can also be used on smartphones and tablets
- ⊗ Quick search with automatic search suggestions
- ⊗ Keyword and full-text search
- ⊗ Search by OE numbers, engine codes, item numbers, or vehicle types
- ⊗ German, English, and French
- ⊗ Create watch lists
